

**KAPLAN Required Language for all Nursing Clinical and Theory courses for
1st Year MECN and 3rd Year BS student for the 2014-15 Academic year**

MASTERY SCORE: Kaplan Examination scores are bench marks for the curriculum and are mandatory. Students are required to take the Kaplan exam to successfully complete all clinical/theory courses.

Students will receive up to 10% of the assigned course grades based on their percent score for each examination, as outlined below:

[PUT YOUR KAPLAN PERCENT FOR YOUR COURSE HERE—HERE ARE TWO EXAMPLES OF CALCULATING THE PERCENT SCORE FOR A COURSE WITH 10% OF THE CLINICAL GRADE BASED ON KAPLAN
STUDENT A EARNS A KAPLAN SCORE OF 84% (PASSING SCORE) AND RECEIVES A GRADE OF 84 FOR THE 10% OF THE GRADE, STUDENT B EARNS A KAPLAN SCORE OF 70% (FAILING SCORE) AND RECEIVES A GRADE OF 70 FOR THE 10% OF THE GRADE.)

PRACTICING FOR THE KAPLAN EXAMS: To assure the success of each student in taking the Kaplan course/level examinations, Kaplan has made available online practice examinations and remediation tools. Students should refer to the [Kaplan website](#) to access and take these practice exams..
